

Covid-19 Guidelines and Protocols 2021

- Curb side drop off and pickup for students. Only Teachers and dancers are permitted inside the studio. Then wait in car while class is in progress to limit traffic. We will have assistants to help dancers with shoes etc.
- Please fill out Covid screening form prior to dancers entering studio. We will email the link.
- Separate entrances for each studio. Studio A and Studio B
- Face coverings must be worn in waiting area. Students may remove once they are in class.
- Hand Sanitizing stations at drop off and pick up. Dancers are encouraged to bring their own little sanitizer for inside studio.
- Change room will be closed - Please come ready to dance in proper dance attire and bring only what you need into studio. There are a few hooks for school bags but encouraged to drop off school bag before entering studio.
- Each dancers area is defined by 6x6 squares or always keeping 6 feet apart while dancing.
- Limited class sizes to maintain physical distancing as well as time in between classes to clean and limit traffic inside studio.
- Daily sanitizing of all studio areas as well as eco friendly disinfectant fogger in between classes.
- Anyone showing symptoms of sickness should stay home.
- Anyone showing sickness will be sent home.

Keeping our dancers, staff and all members of our JJ Dance family safe and having fun is our #1 priority!

NOW LET'S DANCE!
